Twin Cities Horse Sales had two big weekends of horse sales this spring, and once again, positive prices reflected a strong market. Each sale gets better every year. We can't say enough about the quality of horses that our consignors bring here - the averages are proof. The top 50 averaged \$500 more than our fall 2006 sales. Consignors came from 20 states and two provinces of Canada. We issued over 1,100 bidder numbers to people from 26 states, two provinces of Canada and Mexico. The crowd was very active this spring - horses went to individual buyers throughout the United States and two countries. Three breeds took the top three spots. Our high selling horse for all sales combined AQHA, APHA and ApHC was a 2003 APHA palomino mare (finished reiner) by Hello Shiner x Call Reveille consigned by Jerry and Stephanie Delpias of Oklahoma. The mare sold to Joan Julen of Minnesota. Congratulations Joan on your purchase of "LJSR Sunshine." Our 2nd high selling horse was an AQHA buckskin stallion (reining training) by The Shine x Four L Lady Jackie - he went to Texas. Our 3rd high selling horse was "Ima Tough Kid" a 2001 ApHC chestnut stallion by TQ Kid x Sonny Money consigned by Dom Orlandi (Lawrence Hiatt agent) and was purchased by Paul Friend of Arizona. This was a gorgeous stallion with a big blanket. He was fit and ready to win in a halter class.

Sale highlights for the spring Twin Cities Horse Sales were reiners and show horses - these horses you could take to the show pen and win. They demanded top dollar and the attention of people near and far. We had a great lineup of horses consigned this spring. We had more phone bids than we've ever had and many new faces. Twin Cities Horse Sales continues to grow each year, and with your confidence in our ability to create an honest marketplace for both buyers and sellers has allowed us to be one of the nation's leading sale companies. We expect a strong, solid horse market for the fall; broke horses are in demand. Performance horses, reining horses, show horses and halter horses with the essentials in color, size, pedigree and conformation will bring top dollar. Consignments are already coming in for the fall 2007 sales - be sure to get your entries in early for good selling positions and national advertising. Spring 2007 market was very strong and we would like that to continue into the fall. We are going into the fall sales with renewed energy and high expectations. Thank you for your past, present and future support. We look forward to seeing you at our upcoming sales.

We take pride in having been in the auction business for over 40 years and in offering you the soundest market available. Whether you are new to the horse industry, or an old veteran, our experienced staff will work hard for you. Our goal is to help make your experience with Twin Cities Horse Sales an enjoyable one.

Also, once a horse is consigned, bring it to the sale. With the strong demand for good horses, selling your consignment before the sale could be a costly mistake. People travel a great distance to attend our sales and having a horse in the catalog that is not in the sale can be a big disappointment.

As you read the statistics on the following page, we think you will see that we consistently have a good, solid auction market, not just on the top 5 or 10 horses. Twin Cities Horse Sales strongly feels we can be a great asset to you in the future for marketing your horses as sellers. For buyers we always have a large selection of fresh horses to fit all aspects of the horse industry.
