The Spring 2009 Twin Cities Horse Sales were outstanding. There were people here from near and far, many new faces. We gave out more bidder numbers than ever before. Twin Cities Horse Sales had four big weekends that brought in buyers and consignors from coast-to-coast, border-to-border, Canada and Mexico. Our highlight this spring was a 1995 Bay AQHA Stallion by Mr Zippo Win who's by Zippo Pine Bar; Allan and Kay Neubauer of Texas consigned "Addicting." What a classy stallion. He was sound to breed or take back to the show pen. He sold for \$20,000 and was purchased by Shannon Ott-Polzin and is now standing in Jefferson, WI. Congratulations Shannon - not only did you purchase a proven show horse but an excellent addition to your breeding program and a sound investment in the horse industry. Thank you Allan and Kay for making the trip to the beautiful state of Minnesota. We enjoyed having you here. Our 2nd high selling horse this spring was a 2000 Dun AQHA Mare consigned by Laura Holcomb of Ohio. This mare was broke. She had 129 NRHA points, top 10 youth, 127.5 youth points and 25 open performance AQHA points. She sold for \$13,000 to an Ohio buyer. Our 3rd high selling horse was a 1997 palomino AQHA stallion by Hollywood Dun It consigned by Meggie McNamara of Minnesota. "Dun It 2000" also had many credentials. He is triple registered, NRHA earnings, AQHA points and PHBA points. He was purchased by Mariano Moreno of Mexico for \$11,500. Congratulations - what a nice stallion.

"Addicting" now standing at Acclaim Performance Horses, Inc.,
N2726 Mehring Rd., Jefferson, WI

Twin Cities Horse Sales continues to have a strong, solid market on broke horses. The horses that sold well are the kind that you can take out and do something with, whether it be reining, cutting, halter, show, trail riding, performance, or using horses with color, size, pedigree and conformation demand top dollar and draw people from near and far. We had the nicest group of horses consigned this spring that we have ever had and it showed in the number of people who came to participate this spring. Check out the averages, not only the top ten but the top 500 averaged over \$2,000. Wow, that's a lot of horses. Thank you consignors for bringing the good ones. We had a drawing this spring at the March horse sale and gave an RS Training Saddle away. The lucky winner was Sandy Strain from Connecticut. Congratulations! Twin Cities Horse Sales also held our 1st annual gelding sale in May. We sold roping, cutting, reining, team sorting, working cow, trail and ranch geldings with a few select using mares; all horses were demonstrated in their specific event prior to the horse sale. It went really well and was a lot of fun. We accepted 100 head and they averaged right at \$3,000. Plan to attend our 2nd annual gelding sale in May of 2010.

If you are planning on consigning your good horses this fall, consign early. The fall sales are filling up fast. Twin Cities Horse Sales will have a great lineup, plan to be here! Also this fall you will see that we have added televisions in the auction ring. If you plan on bringing videos they must be submitted with paperwork prior to sale. They will not be accepted handed up at the time when your horse is being auctioned; this will keep the sale going at a good pace. We can take VHS but DVDs are preferred. Twin Cities Horse Sales will be having a free drawing for a Dale Chavez Custom Belt Buckle after each sale this fall. Spring 2009 market was strong and we would like that to continue into the fall. We are going into the fall sales with high expectations. Thank you for your past, present and future support. We look forward to seeing you at our upcoming sales.

We take pride in having been in the auction business for over 40 years and offering you the soundest market available. Whether you are new to the horse industry, or an old veteran, our experienced staff will work hard for you. Our goal is to help make your experience with Twin Cities Horse Sales an enjoyable one.

Also, once a horse is consigned, bring it to the sale. With the strong demand for good horses, selling your consignment before the sale could be a costly mistake. People travel a great distance to attend our sales and having a horse in the catalog that is not in the sale can be a big disappointment.

As you read the statistics on the following page, we think you will see that we consistently have a good, solid auction market, not just on the top 5 or 10 horses. Twin Cities Horse Sales strongly feels we can be a great asset to you in the future for marketing your horses as sellers. For buyers we always have a large selection of fresh horses to fit all aspects of the horse industry.
