TERMS AND CONDITIONS

1. The Sales management acts only as an agent. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there are no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer.
9. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.

10. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof; but possession of the horse cannot be obtained by him until payment in full has been made.
11. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
12. There will be an insurance agent on the grounds for anyone wishing to obtain insurance on their horses. Transportation will also be available at reasonable rates anywhere in the United States.
13. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and Coggins tests the day of the sale. They should be turned in to the office before the sale.
14. Registration papers will be issued immediately on cash, certified checks, or money orders only. HORSES WHO ARE PAID FOR BY PERSONAL CHECKS WILL HAVE ALL PAPERWORK MAILED TO THE NEW OWNER ONCE THE CHECK HAS CLEARED WHICH MAY TAKE UP TO 30 DAYS.

**NO SALES TAX
on horses purchased
in Minnesota**

BUYER'S RESPONSIBILITY

The Buyer has a responsibility to examine a horse carefully and completely before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case, you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating that you have shopped enough to satisfy yourself and no one else is responsible.

Frankie stands 14.3 and is as stout as they come and VERSATILE. Frankie Has been an NBHA WORLD QUALIFIER in both the youth and the open and has carried the United States flag for State finals as well. She is always the go too horse for the trail as well, loves to swim , cross water , bridges, tarps, and the perfect size to get under those trees. She has the CAN-DO attitude and is willing to try anything for her person. Don't put her up when the snow flies, she will pull a sled with the kids and give them a winter thrill. She has also hit the halter classes and placed, with her fantastic conformation. Rides bareback, saddled, halter, bridleless, english, western. She has pushed calves in a casual setting and has had ropes thrown off of her. Her ground manners are impeccable. She loads herself, ties all day, stalls neatly, will picket line, eats and drinks on the road as if she was at home. No funny business with this pretty lady. She is perfect for the farrier, who has commented on how nice feet she has. She is shod on all fours at this time as she was getting legged, we shoe all our horses when they are in consistent work otherwise she is good to go barefoot.

2009 black AQHA gelding, Can I Havethis Dance, "Tux" is by World and Congress Champion, Coats N Tails (Invitation Only), and out of the grey mare, Mitos Magic Moment, who is owned by McGrath Quarter Horses. Tux is a great all-around pleasure horse and stands 16hh. He has been shown at WSCA, MN Quarter Horse and 4-H shows, winning many awards. He has been the High Point pleasure horse at our county 4-H show. Tux has shown at the MN State Fair, MN State 4-H Horse Show, Winona, Verndale, and various arenas throughout southern MN. Tux excels at Showmanship, Trail, English and Western Pleasure, Western Horsemanship and English Equitation. He would ideally be a great step up horse for a youth that understands using spur ques at a lope, or a walk trot horse for an older adult or youth as he has a super nice quiet lazy jog. Don't be fooled though, as he can step it up and move out for English classes. Tux is an easy keeper who loves his stall, but also enjoys the wide open spaces of a pasture all day long. He plays well with others, and is easy to catch. He prefers front shoes during the show season, but I leave him barefoot over the winter. He stands for the farrier is super easy to bathe and clip, and trailers just fine. He is always fully vaccinated and has a current Coggins test. He had a full set of clean X rays in 2019. I have always worked with a trainer, so he is accustomed to individual and group lessons, but I also practice and ride him independently at home. I have made the hard decision to sell Tux because I don't have the time to show and ride as I am now in college full time. He has sat in my pasture all fall and winter, so I want him to have a new job and rider. Search 2009 AQHA gelding Can I Havethis Dance "Tux" on YouTube for a video.

2008 model mare. Pearl is as beautiful as they come. She stands 15.1 hh and is conformationally correct with a big hip, nice shoulder, and baby doll head. As easy keeper as you can find with a puppy dog personality to boot. Gorgeous black with a touch of chrome - she's stunning and she knows it. I have had Pearl since she was 3. She knows the show world, but also calls the farm home. She received purples at the South Dakota State 4-H Horse Show in showmanship, equitation, and trail. Fancy broke moving off of leg pressure, neck reins, side passes, the list goes on. She comes with 30 days riding and will be in shape and ready for her next home.

You can open any gate on the place off him. Lu will sure watch a cow as well. He travels good out in the open country. Will cross or go over whatever you put in front of him. He is easy to rope off as well. He will fit everyone in the family! If your a first time rider or a seasoned hand you will get along with Lu. Would make an exceptional youth horse. Easy to catch, bridle, saddle, shoe and load. Isn't barn or buddy sour and will travel off alone with no issues. He can also be laid off with no worries. Gets along well with others in the herd. Coop is a gorgeous gray gelding 14.3 hands with a ton of eye appeal. He is incredibly kind and easy to have around the ranch. He is by Spooks Gotta Whiz and out of a producing bottom side. He is really broke and does all the reining maneuvers. Coop is also a finished head horse! Really likes to work cattle but he's also excellent for a leisurely trail ride. He has all the fancy buttons but only does what you ask of him, he's in tune to his rider. Coop is middle of the herd here, he has never had any issues and is truly a gentleman to have around. Or take him to the arena and head, heel, or break away on him. He walks, trots, and lopes nice, sliding stop, turns around as fast or slow as you want, sidepass both ways open close gates, goes over logs and water with no problems, up and down ditches big or small, and traffic safe. He stands tied, loads, is good for the farrier and vet, tacks up great, and rides off gentle. 14.2hh - current on everything and 100% sound

He's been hauled all over and is the same horse at home as he is out on the road. He was broke out as a stud and rode very well, but has not gotten the usage he deserves this last year so he is still green broke; since being broke out, he has been cut so he is a gelding. Playboy has amazing cow-horse instincts and was introduced to roping briefly. He rides up on cattle well and is willing to push them around, but he is still in the roping dummy stage. His bloodlines go back to Peptoboonsmal, Smart Little Lena, Dual Pep, and Freckles Playboy. He will be very nice horse with more time under the saddle.

Bred 2 mares last year (due around sale date) easy to handle. He should mature to 15.3 hands. He is also registered thru IBHA. He has super stall manners. Has been out with a couple geldings and gets along well. Has tons of eye appeal. Creed, is 100% sound in every way and has no bad habits or issues. Will be a great asset to anyone's program. Here's one you don't want to look past! "Texie" is a beautiful palomino gelding standing 15 hands tall with a nice big hip and built to last. All the hard work is done and he is ready to go at that perfect age. Texie has a ton of experience under his belt, he rides like he should and has been driven on the ground, along with being hooked up to the sled, which he pulled like an old pro. Texie has worked long hours on the ranch ponying colts and checking fence. He has extensive trail experience and will cross anything in his path - logs, brush, water and bridges. In the arena he lopes soft circles and has a lot of ability. Big stop with a good turnaround. He will side pass to the gate for opening and closing. Texie is soft in the face and wants to carry his head low and natural. He would make a good rope horse with his size and athletic ability. He is bred to track a steer and work the ranch. He is absolutely ready to hit the trail and would make an excellent ranch riding/trail competition horse. Good to bathe. Suitable for most any rider. UTD with all vet and farrier care.

LOTTA FAMOUS BUGS, aka Nosy, is an excellent college rodeo barrel horse and would make a great JR./HS rodeo, 4-H, jackpot, or a saddle club horse. My daughter consistently placed in the top 10-15% in barrels as part of the Great Plains Region College Rodeo. My daughter and Nosy competed with well over a hundred competitors. Nosy would make a great step-up barrel horse for a rider that is ready to go to the next level. My daughter is currently studying at SDSU in the Vet program, and this is taking up her time to be able to compete with Nosy. Nosy is driven and needs someone that has the time to ride and compete with her.
