TERMS AND CONDITIONS

1. The Sales management acts only as an agent. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there are no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer.
9. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.

10. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof; but possession of the horse cannot be obtained by him until payment in full has been made.
11. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
12. There will be an insurance agent on the grounds for anyone wishing to obtain insurance on their horses. Transportation will also be available at reasonable rates anywhere in the United States.
13. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and Coggins tests the day of the sale. They should be turned in to the office before the sale.
14. Registration papers will be issued immediately on cash, certified checks, or money orders only. HORSES WHO ARE PAID FOR BY PERSONAL CHECKS WILL HAVE ALL PAPERWORK MAILED TO THE NEW OWNER ONCE THE CHECK HAS CLEARED WHICH MAY TAKE UP TO 30 DAYS.

**NO SALES TAX
on horses purchased
in Minnesota**

BUYER'S RESPONSIBILITY

The Buyer has a responsibility to examine a horse carefully and completely before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case, you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating that you have shopped enough to satisfy yourself and no one else is responsible.

Tall, red, and handsome! "DD Money Clip" (barn name Houston) is a 16.1H sorrel four-year-old with a thick mane and tail, a puppy-dog personality, and a great foundation. Houston has running bloodlines on both the top and bottom, but has a very handy, versatile feel under saddle. He is exceptionally well broke for his age, smooth with a long stride, and has the potential to go in many directions. Ride him one or two-handed, with light or heavy contact, english or western—he is willing and versatile. He has been lightly started on the barrel pattern, trail ridden, hauled to shows, had a rope swung on him, and been ponied off other horses. Houston hauls great, clips and bathes like a pro, stands well tied, is patient for the farrier, doesn't care about the vet, and is respectful on the ground. He is happy in a herd or by himself. Houston is filling out nicely and will make an experienced rider a truly nice all around prospect to finish their way!

Styles is a 15h puppy dog gentle gelding. We have owned him since he was a yearling and one that we consider part of our family. Styles absolutely loves his people and attention. Styles has a solid foundation and all the fancy buttons. He is easy to ride and does NOT need consistent riding to stay that way as he handles time off great. Style had a run in with a fence post last fall and we gave him 6 months off and he rode off the first day just like he did his last. Don't let his scar scare you away as it is 100 cosmetic and will not hinder him from being a high end performance horse. Styles was shown in the 2yr old snaffle bit classes and did extremely well along with being trail rode, packing the little kids around, and sorting. Styles will truly shine in ranch versatility, sorting, WSCA events, as a rope horse, or just be your best friend and reliable trail mount.

She has string tested to mature around 15.1 hands. Dolly did sustain a cut to her pastern this past winter, which has caused her no problems as we have been riding her. She is by Xtra Shiney Wimp, a son of Wimpys Little Step, with a pedigree that also includes Shining Spark, Nu Chex To Cash, and Hes A Peptospoonful. We have trail rode Tuxedo outside around the cows, down the river banks and along the highways with no fuss. Out on corn stocks, he has been used checking yearlings and fixing fence. Crossing mud or any modern day obstacle is no challenge for Tux, going over bridges or downed timber. In the arena Tux lope the easiest circle I've ever sat in. Picks up both leads and stays behind the bridle. Not only does Tux lope the pretty circles and have a cute solid turn around but he is also well progressed on the heel side and has heeled some slow steers out of the box. If you want a horse that's easy to ride and easy to get along with, consider Tuxedo, we all love him!

She's ready for her forever home. Truly a one of a kind mare with a personality to match it. She has lived out on pasture with other horses her whole life and is higher in the pecking order. She has been exposed to ranch shows, ridden down the road and hauled to various trails. She is a feely mare that would be best fit for a confident rider. She'd be a great performance prospect for either western or english events. Feel free to contact me for more information and/or to come test Lucy out at 507-316-7867.

If you are looking for your next show partner, Maisy is the horse for you. Her flashy chrome markings and beautiful movement will get you noticed in the pen. This mare would thrive in ranch pleasure/ranch riding. Maisy has been exposed to many types of riding including drill team, WSCA Games/Pleasure, trail riding, cattle sorting, ranch trail, and mounted shooting. She has been overnight camping/showing and spent a week trail riding in Medora this summer. Maisy has many great qualities to thrive as a show horse; she will stand tied all day, is excellent in the wash stall and for the farrier, is easy to haul and is a great drinker on the road. Currently lives in a pasture, but seems happy in a stall. Easy to catch. Up to date on farrier work, shots, and had her teeth done this summer.

Beautiful 15.1 hand sorrel gelding. Weston, as I call him, is well broke and gentle. He has been used for trail and pleasure riding the last 8 years. Prior to that, he was used on a Montana cattle ranch 1-3 times per week. Weston did every job on the ranch you can name - pushing cattle, dragging calves, etc. Owner's 7 year old son rode without fear for his safety. Stands nice for the farrier and loads like a champ.

He has a beautiful golden coat and the mane and tail to match it. He's been a horse his whole life living out on pasture and riding the outdoors. He's been exposed to ranch shows, cattle, and ridden down the road. Patron is about as smooth and as handy as they come. He's a gritty colt with a big motor and the sweetest disposition that would be best fit for a performance home. He'd make a great heel horse. Healthy and sound.
