TERMS & CONDITIONS

1. The Sales Management acts only as an agent. **ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.**
2. The highest bidder will be the buyer. If dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there are no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid.
3. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
4. All horses must be paid in full in the sales office prior to leaving the premises.
5. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until they can be removed.
6. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
7. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
8. Every effort has been made to ensure correctness of the catalog. However, the sales management and auctioneer are not responsible for errors or omissions, and therefore assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding any horses sold.
9. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer once struck off by the auctioneer.

10. Immediately after the horse is sold, it will become the sole risk and responsibility of the buyer, but possession of the horse cannot be obtained until full payment has been made.
11. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
12. Transportation will also be available at reasonable rates anywhere in the United States.
13. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and Coggins tests the day of the sale. They should be turned in to the office before the sale.
14. REGISTRATION PAPERS WILL BE GIVEN TO THE BUYER AS SOON AS CHECKS HAVE CLEARED. PAPERS WILL BE GIVEN TO BUYERS WHO PAY WITH CASH, CERTIFIED CHECKS, OR MONEY ORDERS.
15. Any and all legal disputes will hold jurisdiction in the state of Minnesota.

BUYER'S RESPONSIBILITY

The buyer has the responsibility to examine a horse carefully before they bid on it. If you have any concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case, you still own the horse. The seller is not responsible for you if you don't shop the horse. Once you bid on a horse, you are indicating you have shopped enough to satisfy yourself and no one else is responsible.

Willie has been in a good program his entire life and it shows. His sire is by Walla Walla Whiz and his dam side is equally strong. Willie is a finished reiner with an NRHA show record and has proven himself to be just as enjoyable and capable in the ranch riding and ranch versatility pen. He will also excel in the cowhorse type classes, and he has the size and athletic ability to be a rope horse too. Willie is gentle, quiet, and very safe, making him suitable for a wide range of riders. He's soft in the bridle, smooth through his gaits, and naturally balanced. His spins come easily, his lead changes are correct, and he is a big stopper without needing to be pushed or managed. He's the kind of horse you get on and go—no drama, no surprises. Outside the arena, Willie is just as dependable. He's trail safe, traffic safe, comfortable around dogs and kids, and has had a rope swung off him. His ground manners are excellent, and he genuinely enjoys attention. He's content to pack anybody around quietly, but he's also more than capable of stepping up and getting the job done when asked. Willie is the type of gelding that everybody loves, whether you want a family-safe horse to enjoy every day or one you can confidently take into the NRHA events or reining pen, Ranch Riding, and other western performance arenas.

Parker is not only gorgeous to look at, but he has an impressive record with \$10,873 in NRHA Lifetime Earnings. By Mr Electric Spark and out of the famous mare Moonstone Dun It, Parker has proven himself in the show pen and beyond. As a futurity horse, he was an NRHA Open Level 4 Finalist. He earned Reserve Champion honors in the Non Pro Derby at the Buckeye Spectacular, and in 2025 made the trip to Oklahoma City for the NRHA Derby, where he was a Non Pro Finalist in Levels 1, 2, and 3, narrowly missing the Level 4 finals by a single point. This season, he's leading the NCRHA Rookie Level 2 Saddle Circuit, while still showing he can step it up and be competitive at the big shows in both the Open and Non Pro. What makes Parker truly special is that given all this talent, he is still easy and enjoyable to ride. He is smooth, correct, with a gorgeous frame, effortless lead changes, a big stop, and plenty of style without ever feeling strong or complicated. He's safe to ride off the property, comfortable throwing a rope or carrying a flag, and has the kind of quiet confidence that makes him dependable in any setting. He never has a bad day, never says no, and gives you the same honest effort every time. In the year we've owned him, he has made us smile every ride!

Liter is an open-caliber gelding with an incredible disposition to match his athletic abilities. He's the type of unicorn everybody searches for. Whether you're looking to win some bronze trophies or just have your once-in-a-lifetime companion horse. He stands 14.3 hands and is built exceptionally well. His sire is Shine Big Time (own son of Shining Spark) and his dam is an own daughter of million dollar mare, Snip O Gun. Liter has a worldwide show record - he's won big overseas, as well as here in the US. His NRHA LTEs \$5,720.93 & continues to grow. Liter enjoys the show ring and has a lifetime show career ahead of him, whether that be in the reining, the ranch versatility events, roping, etc. Liter is smooth to ride and very soft in the bridle. In addition to being user friendly, he has solid gaits and is an easy stand-out in the ranch trail classes as well as the reining pen. He is naturally low-headed and has enough style to win in the open caliber classes, but he is humble and will take any rider to the next level with ease and patience. He has HUGE spins and a lot of stop. His rollbacks and lead changes are automatic. Liter is a barn favorite and is a hard one to think about parting with, but he deserves his own person as he is that special! He's easily maintained and has exceptional manners, there are no quirks or holes in him.

TURTLE

2021 Black Tobiano IGEA Gelding ~ 15 Hands

Turtle is a beautiful "One of a Kind" gelding that will turn heads wherever he goes! This unique gelding is five years old, stands 15 hands, weighs 1375# and has a ton of personality. From the arena to the trails, Turtle is a dependable mount that has been there, done that. He wasn't given the name "Turtle" by accident, it simply fits him well. He likes to do things nice and easy, rather than fast. With his smooth gaits and extra substance, bone, and foot without being too tall, Turtle is the dream horse. He is registered with the IGEA being sired by a Gypsy stallion and out of a Percheron/Friesian Cross mare, truly making him unlike any other. We have hauled him to several state parks trail riding, and a few open shows. He neck reins, pivots, side passes, pops into his leads and is just plain fun and easy to ride. Turtle goes down the trail, over downfall, up & down steep terrain without a problem. Crossing creeks or rivers does not phase him either. In fact, a few of the hot days last summer we took him swimming in deeper parts of the river. He stands well to brush, bathe, and saddle. Turtle also stands well for the farrier and wears a size 4 shoe. This is one gorgeous black & white gelding that has a disposition we all die for. We are proud to offer Turtle and think you will love him too! Current on Coggins, dental, deworming, & farrier.

Lux is a stunning golden palomino with two blue eyes that turns heads everywhere he goes. Bred by Pale Face Dunnit and out of Get Ya Some Stars, his talent comes naturally. He lopes around with a great leg, extends easily, and stays in the same frame no matter what. He's soft in the bridle, smooth, and fun to ride. Lux has already proven himself with \$6,613.39 in NRHA earnings, suitable for non-pro, rookie, and lower-level open riders. Additionally, at his first ranch show last fall, he went out and won a championship in ranch versatility, ranch riding, and ranch pleasure in a tough class of over 50 head. He didn't flinch, didn't change, and acted like he'd been doing it forever. He's eligible for the APHA / IRHA Triple Crown Incentives, and we fully believe he's a horse that can win a lot of money in the ranch and reining events. Lux is bombproof, confident, and steady. He has a big set of spins, a strong, correct stop, effortless lead changes, and he stays the same every ride. Outside the arena, he crosses water, drags logs, and is safe for anyone. His ground manners are excellent, and he's easy to have around. Whether your goals are winning in competitive ranch and reining events or owning a standout all-around horse, Lux fits the bill. He's special, he's proven, and he's ready to keep winning!

Cisco is the total package! This guy could not have a quieter demeanor. Cisco is honest with a heart of gold. This is the gelding people search high and low for. There are not many horses we trust with kids or beginners and we absolutely trust him. Cisco is a fun boy to ride everyday. He is fancy broke and stays broke. He has a natural level head set, stays in the bridle, and moves with cadence. This guy is so easy to ride with his incredible lope. Cisco has super easy lead departures- just lay that outside leg on him, smooch and off he goes. Cisco always has one foot on the brakes whether you are in the arena or on the trails. He is very much a slow-joe kind of guy, but when asked he will really try for you. Cisco has a great turn-around to him and can get his feet in the ground in his stops. Cisco would be incredible in the ranch classes! He is not your typical 5 year old. Cisco stays broke and quiet no matter what the circumstances. He is totally traffic safe. Whether you want to ride alone or in a group, he will be reliable. Cisco will cross creeks and be handy to open and close gates. Cisco has been used to sort cattle as well as doctor some. A gelding like this is almost impossible to find. Whether you want to trail ride, hit up the ranch classes, team rope, or try out the mounted shooting- we KNOW Cisco will be the best boy!!

REX

2018 Red Roan Belgian / QH Gelding ~ 16.1 Hands

Rex is a big, beautiful Belgian/Quarter Horse cross gelding that stands 16.1 hands and tips the scale at 1575#. Here is one horse that you can have double the fun with as he is very well broke to ride and drive. Rex has been on multiple trail rides, ridden on the ranch, and through town. He walks flat footed and handles everything with ease. He will cross bridges, rivers, and downfall. Rex has a very laid back, willing personality with substance, bone & foot to last a lifetime. He stands well to be brushed, bathed, clipped and shod. You can catch him anywhere and leave him tied all day. He will step right into a lope and stay at the same speed you ask him. Rex is soft in the bridle, steps over his hocks correctly, side passes, and stops well when asked. If you're looking for a big, stout horse that is broke and maneuvers just like a Quarter Horse, then Rex is your guy. Not only does he ride well, but he also drives with the best of them. We have driven him single, double, and in multiples. Rex is the solid dependable type that you can count on to put anywhere under harness. Nothing we have thrown at this gelding over the years has rattled him. In fact, we have owned and trained several relatives to this gelding and they all have that same gentle demeanor and people friendly personality. We have owned and enjoyed Rex since he was 2 years old, and are proud to offer him.

He saddles up with zero issues everyday and is never fresh. He has been used to do everything around the ranch from trail riding, branding, sorting bulls, and even seen the bright lights of the rodeo arena as a flag horse. Gus is a seasoned outside ranch horse. He has doctored countless cattle in the daylight as well as at night with no more than a headlamp. We have roped a few cattle out of the box and he takes it with ease. Gus has been on over night trail rides and wagon rides and has had all ages and levels of riders ride him. Gus does all the reining maneuvers and has a very easy way of moving. Gus is sure footed, and absolutely sound of mind and body. He stands good to shoe and clip. CADILLAC

2017 Gray Quarter Horse Gelding ~ 15 Hands

Cadillac has been one of my personal horses for the last 5 years. He has seen many days of wet saddle pads, working hard from sunup to sundown. He will make someone the perfect trail horse, riding on any terrain through any part of the country. He easily steps over downed timber, crosses creeks and ditches, and takes care of his rider. He has been exposed to all sorts of wildlife as well as small pets and livestock. He has also been used to lead pack mules, leading the string through trails or making his way through thick timber. Cadillac would also work well for someone who is interested in showing in the ranch horse events. He will lope circles correctly, picking up his leads on cue. Side passes, soft one-handed neck reins, backs up, can work a gate, has a nice turn around and stop. He even rides bareback! He can be ridden by anyone who can sit in the saddle and hold the reins. He has years of experience under saddle, and his ride is a shining example of that. Cadillac is easy to catch, gets along well with pasture mates when turned out, and also does well stalled. He is easy to bathe and shoe.

Challis has been one of our top picks to ride the last few years. He's an outstanding horse in many ways. Challis is the kind of horse that you could enter a ranch horse competition, team roping, and reined cow horse all in the same day. Challis has all the right buttons in the arena. He knows all the maneuvers, is extremely correct, soft, and has a huge stop. This horse has spent the last few years in our program primarily as a ranch horse. He has done everything from head and heel brandings, dragging to the fire, gathering big country, loading, sorting, and much more. He has been ridden in the wind, rain, and snow and is no stranger to the hard days. We have roped both ends on Challis, steer stopped, and done some breakaway as well. He is quiet in the box, scores well and would fit a wide number of ropers. Challis has all the speed you could need, the big stop, and is extremely cowy. Challis also is not just a performance horse, but he is extremely quiet and gentle. He has been rode by complete beginners and is safe and dependable. He is very content to walk out in the hills, cross rivers, or take a stroll down Broadway. Turn him out for 6 months and he saddles up and rides off like you never skipped a day. Very tidy in his stall and good to clip, bathe, and shoe. Challis is up to date on all dental, farrier, vaccines, and wormer.

This gelding has truly seen it all—used extensively in the mountains doing ranch work, gathering and doctoring cattle, checking fence in rough terrain, trail riding, and arena work. Guy has an outstanding mind and is a pleasure to be around. He loves being groomed and will practically fall asleep while you brush him. He loads and unloads easily, stands tied, and is quiet to saddle. Out on the trail, nothing phases him. He will cross water, downed logs, and steep hills with confidence. He rides out alone or in a group and is not picky about his position in the line. In the arena, Guy is soft, broke, and easy to ride. He is very light in the face, rides on a loose rein, has a slow walk, smooth trot, and a soft, low-headed lope. He takes both leads, has a big stop, side-passes both directions, and has a nice turnaround with a correct spin both ways. Guy is up to date on all vet and farrier care and is the kind that's safe, solid, and ready to go to work or enjoy.

Flash is a solid, dependable gelding we've owned for two full years. He's well-seasoned and trained in the cutting pen, but what truly sets him apart is his gentle, easygoing nature. Flash moves out smoothly, with a comfortable jog and lope that riders of any level will appreciate. He's the kind of horse that stays broke even with time off and requires no special tuning, what you see is what you get. Whether you're headed to a ranch show, versatility event, weekend sorting, or simply looking for a reliable partner for ranch work or trail rides, Flash fits the bill. He has no bad habits, no quirks, and no nonsense, just a steady, honest horse that's easy to get along with. Flash has been our dependable guy that we have never been in a hurry to try to sell, but since we're not in the "keeping business," it's time for him to find his next good home. Before coming to us, Flash was used regularly on a ranch and was actively shown in cutting. He's the kind of horse you can do just about anything with, and he's built to last, with strong bone and good feet.

DALLAS

2021 Sorrel Quarter Pony Gelding ~ 14 Hands

Dallas is one good looking five year old, 14 hand Quarter Pony gelding that has a heart of gold. He is super easy and fun to ride whether it be Western out on the trail or under an English saddle in the arena. We have taken him on several weekend camping trips, state parks, and local fun day events. He stands tied to the trailer or picket line like a champ and is always willing to go for a ride. He has been through the creeks and rivers, over downfall, across bridges, through town, and doesn't bat an eye. When our friends or their kids needed a mount as we went out riding, Dallas was the go to horse. He has been ridden by several kids & adults of all different levels and took care of them all without a worry. Dallas has super smooth gaits, neck reins, pivots, side passes and looks just as good under English tack as Western. He has spent many hours after school loping around the arena and going over jumps taking care of the kids. A little added bonus, he is very well broke to drive and seen many miles under harness. Dallas has been tested, tried & a true go to, put anyone on type of horse over the past year here at our barn. We simply cannot say enough good things about this handy sized quarter pony and confident your family will enjoy him as much as we have! Current on Coggins, dental, deworming, & farrier.
