4. There will be NO SUBSTITUTES. Horses not cataloged sell last.
5. HORSES WILL BE SOLD IN CATALOG ORDER.
6. ORIGINAL REGISTRATION PAPERS WITH SIGNED TRANSFER OR \$85 CONSIGNMENT FEE MUST ACCOMPANY SALE ENTRY OR HORSE WILL NOT BE CATALOGED. MAKE CHECKS PAYABLE TO TWIN CITIES HORSE SALES.
7. A signed breeders certificate must accompany all bred mares and mares with foals at their sides.
8. INDIVIDUAL and ORIGINAL negative coggins test, within 6 months, and a Current Health Certificate will be required for each horse, which can accompany the horse on sale day.
9. Horses sold which are unsound in eyes, wind, are "windsuckers," "cribbers," or are of known lameness, must be so announced.

13. Your horse is cataloged for the benefit of advertising the horse and giving everyone a fair opportunity to bid on the horse. Once a horse is cataloged, we DO expect the horse to be brought to the sale. Upon execution of this contract, consignor agrees not to dispose of the horse by private sale. Any horse withdrawn from the sale, for any reason other than infirmity, will be assessed a \$400 penalty in addition to the \$85 catalog fee.

2016 . . . A Promising Year

2016 began as a very promising year in the horse industry here at Simon Horse Company. With our top 5 average selling price holding steady at just over \$15K at our Spring sales in both 2015 and 2016. The quality of the horses and level of performance just can't be beat with bloodlines including Walla Walla Whiz, Smart Little Lena, High Brow Cat and many more top bloodlines. These cowbred horses are so versatile they are commanding top dollar. They make excellent reiners, cutters, sorters, penners, barrel and roping prospects.

Along with the good selection of halter and pleasure horses offered, there is always a great selection of horses! These kinds of horses are consistently consigned with Twin Cities Horse Sales season after season, year after year without fail. Joey Jorgenson from Fisher, MN brought 6 outstanding Quarter Horse yearling stallions more foundation bred with color. They averaged \$2,190 and were as slick, fit and ready as they could be, a pretty good sign for the future!

Whether you are a buyer looking for your next horse, or a consigner looking for the right buyer, this trend will continue at our Quarter Horse/Paint/Appaloosa sale on October 22 and 23. 2015 Fall sales boasted a top seller at \$20k! We also enjoyed record breaking attendance of buyers eager to find their next horse. With hay/feed prices at an affordable level here in the Midwest, we fully expect these same record breaking numbers again this fall. With buyers and sellers arriving from over 14 states Mexico and Canada you're sure to find the right horse or the right buyer here in October.

We at Twin Cities Horse Sales strive to do our very best to bring buyers and sellers together in one convenient place. By taking advantage of today's technology we are able to market your horse(s) for you better than ever before.

All horses consigned to our Catalog sales are featured on our Facebook page and listed in our online catalog via our website (www.simonhorsecompany.com) before the printed catalogs are even mailed out. We can also feature Youtube links to videos you have put together of the horses you are consigning for the most visibility we can provide for you.

For our buyers we offer a large indoor facility where you will be able to see the horses you are interested in, being handled and ridden throughout the day. If you are unable to attend the auction in person you don't have to miss out on the horse you want; we do take bids over the phone for your convenience. We are so excited to see all of you October 22-23!

We Welcome Dispersal and Production Sales!

Jim & Ryon Simon
