TERMS AND CONDITIONS

1. The Sales management acts only as an agent. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there are no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer.
9. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.

10. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof; but possession of the horse cannot be obtained by him until payment in full has been made.
11. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
12. There will be an insurance agent on the grounds for anyone wishing to obtain insurance on their horses. Transportation will also be available at reasonable rates anywhere in the United States.
13. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and Coggins tests the day of the sale. They should be turned in to the office before the sale.
14. Registration papers will be issued immediately on cash, certified checks, or money orders only. HORSES WHO ARE PAID FOR BY PERSONAL CHECKS WILL HAVE ALL PAPERWORK MAILED TO THE NEW OWNER ONCE THE CHECK HAS CLEARED WHICH MAY TAKE UP TO 30 DAYS.

**NO SALES TAX
on horses purchased

BUYER'S RESPONSIBILITY

The Buyer has a responsibility to examine a horse carefully and completely before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case, you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating that you have shopped enough to satisfy yourself and no one else is responsible.

She is halter trained, stands for the farrier, vet, loads and trailers well. She is by a son of Gunnatrashya (Gunna Win The Gold) and out of a daughter to WYO Blue Hayes! Sierra most likely carries the splash 1gene the color and genetic testing has been ordered. With her pedigree and build, she has the potential to excel in reining, reined cow, ranch versatility, roping or someone's best trail horse! Her sire "Gunna Win The Gold" (Nugget) won both FQHA Grand Champion Halter Stallion and Grand Champion Reined Cow awards in Michigan 2024. He also won most of his Reining classes in 2024. He was not shown in 2025 due to no fault of his own. Watch him begin winning again with Bill Thomas in the 2026 show season. Sierra is balanced, athletic, and expected to mature between 14.3 and 15 hands. She is 6 panel negative (N/N) by parentage. He is everything from a family horse to a performance horse. Been shown in Ranch Classes, roped the Sled, gone to play days, Barrel clinics with my 10 year old daughter, he has been used for lessons in the past and he can go out alone or with a group trail riding. If you want something solid and never have to worry about anything, Cash is your gelding. He can sit for a month, then pull him out and swing a leg over with no problem. I use him to pony Colts and work young ones. My 3 year old Daughter can maneuver him around by herself in the arena. Standing at 15.1 and solid built he will work for anyone. He is a pretty Red Dun, with a beautiful head. He has great ground manners and very aware of the little people he has handling him.

Talk about a well-bred mare! Not only does she have a great foundation, but she also has the papers to back it up! Her papers are filled with NCHA earners and the famous Fire Water Flit lines. Don't let the white scare you away; she is very clean in her pen and she has an amazing work ethic. She is the perfect height of 15.1HH and as wide as a semi. Already proving herself in the ranch pen, placing 5th in a deep open ranch rail jackpot class, and ending 3rd overall for weekend highpoint at her first horse show in over a year. She is started in the all-around classes and knows the basics for horsemanship, equitation, city/ranch trail, and showmanship. Last summer, we focused more on the ranch events. She spent 30 days last summer with a trainer to fine-tune some buttons and have a different ride spend time riding her. If showing isn't your thing, she is completely traffic safe and loves the trails and water; she is incredibly sure-footed on the trails.

"Finch" is an outstanding little horse that is ready to take someone to the top. This well put together, FANCY gelding is an AQHA Ranching Heritage Challenge-eligible horse! He is a been there done that kind of horse over the past year after being started correct by Michel's Performance Horses previously. He has been the horse we pull out of the pasture and can introduce him to any new event and he takes it in stride! He has been successful with team penning, cutting, barrel racing, pole bending, and some roping! He loves to track a dummy or get on cattle any chance he gets! He has been that play day horse that I have dabbled in everything and has been professionally trained in all aspects. He has the buttons and experience to really focus on something and run with it! This little gelding is very sweet, safe around the kids, first up to you in the pasture, but is also very gritty under saddle and loves to work. You do not find many out there like him anymore!

Foaled 01/01/2018 - Mare
Color: Dun
Consignor: Taya Hanson, MN

Sandy is an 8 year old mare, she stands 14.3 hands. She is sweet and loving, Sandy has done all 4H and WSCA events and placed at many of the shows. She has also been to some jackpot barrel races in the last two years and does very well in the youth and open divisions even though she isn't being pushed to her full potential. She has placed in 2D youth and 3D open in Granite Falls. Sandy has been in ranch rodeos and ranch sorting jackpots, she is phenomenal with sorting. She would make a good junior or high school rodeo horse. She has carried flags for drill team and opening ceremonies, been roped off of, has a good stop and will spin. This horse would make a great step up for youth or adult. She will ride off alone and does great on trails with a group. Sandy has indoor and outdoor arena experience. She ties, loads, unloads, and stands for the vet and farrier. She is up UTD on vaccines and Coggins. For more info, message 763-760-8855

Cheyenne exceeded all expectations for what we bred for, so now we'll let someone else enhance their breeding program. If you're wanting to add color, disposition and build this mare is for you. She is BY FAR the best broodmare I have ever known! Easy foaling, an excellent milker, with superior temperament, never nervous or uptight and lets anyone handle her babies without any drama. All her offspring will black based as Cheyenne is homozygous for the black gene. To date, she has thrown an AQHA grulla colt, black colt, and a blue roan filly. This 9-year-old quiet, gentle mare has settled easily with both live cover and artificial insemination; currently in foal for a mid-May 2026 foal. She is broke to ride and has great ground manners. Before she entered her brood mare career, she was my personal trail horse for three years! Cheyenne is thick made, excellent bone, great hoof and made to last! I raised Cheyenne since she was a weanling! Cheyenne is currently safe in foal for a May 2026 foal by Gunna Win The Gold, an own son to GUNNATRASHA! Cheyenne is 6 panel clean and EEaaRn/n (homozygous black, heterozygous roan)

Banana is a beautiful palomino tobiano gelding. He has all the color, and tail to turn some heads. He stands approximately 14.3 hh and is sure footed. We purchased him with the intention of using him in a beginner program and unfortunately, he is just a touch too green to head into this program. He is not necessarily a project horse, he has zero buck or anything toxic, he is just too young and inexperienced to be used for the general public who have absolutely no riding experience. 8-Year-Old Pony Mare. 11.2 hands. This handy little pony mare is fun! Hedwig is best suited for a rider who wants a pony that enjoys having a job. She's smart, curious, and always willing—definitely not the babysitter type, but a great partner for a kid ready to step up. She's truly a been there and done that—trail ridden through rough terrain, crossed water, roped off, worked cattle, worked in the arena, and exposed to just about everything. She's not spooky and takes new situations in stride. She's easy to catch, loads and hauls like a pro, ties quietly, great for farrier care (little kids can handle her feet). She's UTD on all care including dental, goes barefoot, and has no history of founder. During the summer months she does require a fly sheet, as bugs bother her. She completed a 60-day professional tune-up in June–July 2025, where she was loping barrels, doing WSCA games, trail riding, jumping, continuing arena work. <https://www.csperformancehorses.com>

Prince has a lot going for him with his baby doll head, sweet temperament and all the looks to get you noticed in the show pen. He would make a awesome 4H or open show horse. Very easy to work with and he just goes with the flow. Prince will definitely be a great addition to anyone's herd / Family. Knowing the arena basics Walk, Trot and Lope, he has a good start and foundation for anyone to keep going with him. Along with arena work he's been down the road, around traffic and on the trails, crossing water with ease.

Ty, is a 5 yr old app gelding pony. He is stunningly marked guy. His long white mane and tail don't hurt him either. He is broke to ride, for intermediate rider or does well for lead line. Was used on pony ring last summer, did well with all the commotion, but very aware. Will never kick and hasn't bucked. If your looking for a head turner, here you go!!

Willy is a BIG gorgeous Halter horse that has won either Grand or Reserve at the Clay Co Fair every year since he was a yearling. He is broke but would need a refresher course since it has been several years since he has been ridden. He needs an experienced handler, not for a beginner. He goes barefoot in the winter and shoes on the front during show season. 100% sound but does have an old flesh wound on his left leg just above the hoof that is the size of half a golf ball. Vet says it could be easily removed if you want to continue to show him.
